

Northwood High School Baseball

2024-25 Sponsorship Packages

Northwood High School (NHS) Baseball is grateful for this opportunity to partner with you to support our program while also promoting and highlighting your business. We are dedicated to fostering a learning environment that reflects our core values, where student-athletes develop character, teamwork, and community spirit.

Our baseball field is a community hub; used for adult leagues every Sunday, high school showcase events throughout the year, and youth baseball camps, the field provides visibility beyond NHS Baseball. Our 72"x120" banners are displayed year-round, offering continuous exposure. We can assist with banner design, social media post designs or use your provided artwork. To enhance the fan experience and provide valuable exposure for our sponsors, we offer four Sponsorship Levels – Platinum, Gold, Silver, and Bronze, each designed to fit different marketing budgets.

Our program is looking to provide the best playing experience for our coaches and student athletes, and your support guarantees this. Thank you for your generosity in supporting NHS Baseball.
